

By signing this Charter, the IES Puertas del campo undertakes to contribute to the European Union's modernisation and internationalisation agenda in higher education, which includes 5 priorities:

- 1 - Increasing attainment levels to provide the graduates and researchers Europe needs
 - 2 - Improving the quality and relevance of higher education
 - 3 - Strengthening quality through mobility and cross-border cooperation
 - 4 - Linking higher education, research and business for excellence and regional development
 - 5 - Improving governance and funding
- By agreeing to the principles of the Charter, the Institution will work towards achieving these objectives by participating in one or several of the following activities:

- Key Action 1 "Learning Mobility for individuals": Student credit mobility and staff mobility (within Programme Countries and / or to / from Partner Countries²); Student degree mobility: Joint Master Degrees (Erasmus Mundus Joint Master Degree courses)

The IES Puertas del Campo will also assist the mobile participants in everything the need in the following aspects.

- 1) before mobility; selection procedure, accommodation; general agreements, insurances, Visa if necessary.
- 2) during mobility; Helping the Integration of incoming mobile participants into the Institution's everyday life, having in place appropriate mentoring and support arrangements for mobile participants, providing appropriate linguistic support to incoming mobile participants.
- 3) After mobility; accept all activities indicated in the learning agreement as counting towards the degree, provide incoming mobile participants and their home institutions with transcripts of records containing a full, accurate and timely record of their achievements at the end of their mobility period (Europass), support the reintegration of mobile participants and give them the opportunity, upon return, to build on their experiences for the benefit of the Institution and their peers and exploit the results of the projects in a way that will maximise their impact on individuals and participating institutions and encourage peer learning with the wider academic community.

The IES Puertas del Campo will apply an academic credit transfer system (ECTS or compatible system) to give transparency to the recognition procedures of the trainingships. When ECTS is used, the principles set out in the ECTS Users' Guide (version 2015) should be respected. The IES Puertas del Campo will ensure the full implementation of ECTS (or compatible system) as a common tool to guarantee the quality of mobility activities and transparency of recognition procedures.
